**HELP TO
IMPROVE YOUR
STUDY!
PARTICIPATE IN
THE HBO-MONI-
TOR AFTER YOUR
GRADUATION.**

**HBO
MONI
TOR**

DEAR GRADUATE,

Congratulations on your graduation! After all this effort, you deserve some time to enjoy this great achievement. But maybe you are already thinking about your future endeavors, and what your life will look like a year from now? Did you find a (better) job, and if so, what kind of job? How do your career prospects look now? And how will you look back on your hbo education? Your college is very interested in this and invites you to participate in the HBO-Monitor next year!

WHAT AND WHY?

The HBO-Monitor is a yearly nationwide survey among all hbo graduates. It provides insight in the (labour market) position of graduates and shows how well hbo programs prepare their students for the labour market and/or further education. Are the right skills being taught and do graduates possess sufficient knowledge? This information is important not only for your college, but also for future students. It can help them with their study choice!

WHEN AND HOW?

We will ask you to participate in the HBO-Monitor in the autumn of 2026. You will receive an invitation with a personal link to an online questionnaire. Also, in this invitation you will find further information about the study.

MORE INFORMATION?

To give you an idea of the content of the study, we include some results of the HBO-Monitor 2024. These figures are based on information of those graduated in 2022/2023. Do you have any questions regarding this letter or the HBO-Monitor? Do not hesitate to contact the researchers at ROA via b.belfi@maastrichtuniversity.nl

We hope we may count on you next year!

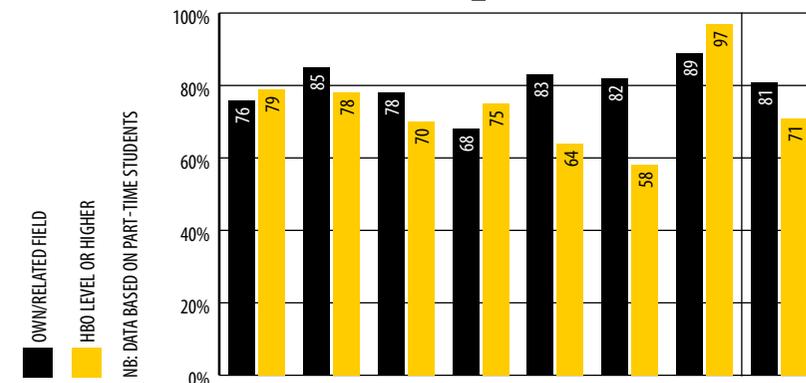

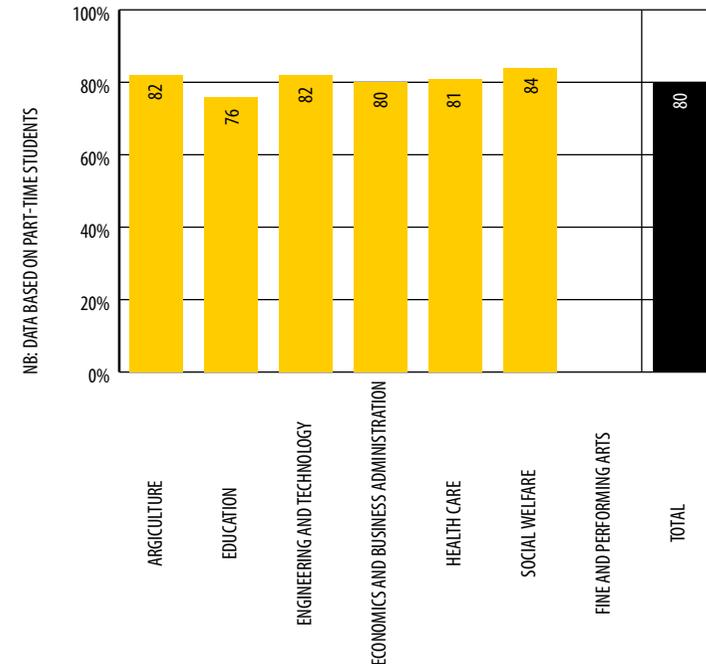

Sincerely,

Barbara Belfi
Project leader HBO-Monitor

FACTS & FIGURES HBO PARTTIME PROGRAMMES

CAREER OPPORTUNITIES

80% of all graduates state when looking back that the programme offers a good basis for further development of knowledge and skills

JOB FIELDS AND LEVELS

81% of all employed graduates have a job that matches their own or related educational field; 71% have a job that requires HBO as a minimum level
